

KEN DAVENPORT

340 Cascade PL #123, Burlington, WA 98233
360-631-3979 / kendavenport@gmail.com / www.kencdavenport.com

I am a designer and web developer with 16+ years experience developing websites and collateral for large corporations and small businesses. Whether working independently or in team environments, I meet customers' needs and adhere to project deadlines. My skill set is constantly evolving by keeping up with trends and technology. I am well versed with the Adobe Creative Suite including Photoshop which I've been using for over 20 years.
